Overall Scores

Definitions

Overall Score

Refers to the combined score obtained by the candidate across all competencies.

● **Low** 0 – 4 ● **Average** 4 – 7 ● **High** 7 – 10

RECOMMENDATION BASED ON BEHAVIOURAL COMPETENCIES

Suggestions given to the candidate on the basis of their scores on the behavioural competencies.

Cautiously Recommended

Strengths:

 **Openness to Experience:** Is likely to focus their attention on abstract ideas; empowers others by actively listening to them; exhibits a strong inclination towards new knowledge as they have a genuine interest for learning.

Area of Improvements:

Extraversion

Needs to be outgoing and assertive while learning to clearly express articulated thoughts; have a vibrant energy and initiate conversation with others.

Emotional Stability

Needs to remain composed; act sensibly and maturely when faced with a challenging problem along with learning to maintain patience with one's team.

Conscientiousness

Needs to be motivated by a sense of responsibility and dedication at work; develop the desire for the regulations to be obeyed at all times; and be organised and self-disciplined and learn to aim for perfection.

RECOMMENDATION BASED ON COGNITIVE COMPETENCIES

Suggestions given to the candidate on the basis of their scores on the cognitive competencies.

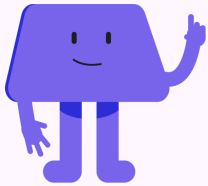

Recommended

Strengths:

💡 **General Intelligence:** Is likely to analyze the given information; easily interprets, stores and reproduces visual information; are proficient in processing and thinking flexibly to solve complex problems.

💡 **Verbal Ability:** Is likely to convey complex information clearly; has fluency in speaking english as well as is an expert in framing apt sentences while responding to stakeholders.

Area of Improvements:

No discernible Area of Improvement.
